Specialities & start dates

WHAT YOU'LL GET

Clinical exposure matched to your elective

Supervised rotations with clear objectives, diverse case exposure, and placements matched to your discipline and training level.

Physician mentors & a dedicated team

Experienced physicians and 24/7 coordinators ensure clinical guidance and personal support throughout your stay.

Certificate, evaluations & school docs

Everything you need — supervisor reports, certificates, and outcome docs for credit, CVs, and med school applications.

Safe housing, logistics & orientation

Step-by-step support with visas, travel prep, and arrival. Vetted housing near your hospital plus cultural orientation.

- ✓ University-accredited coursework
- ✓ Fieldwork in clinics & communities
- ✓ Cultural immersion & language support
- ✓ Mentorship from local health professionals
- ✓ Networking with NGOs & UN agencies

Not sure which program suits you?

Schedule a free virtual call — we'll match you to the right rotation for your goals, discipline, and dates.
